

VOLUNTEER TERMS & CONDITIONS

Upon confirmation of joining the 2025 Bridgestone World Solar Challenge team as a volunteer you will be working with us under the following terms and conditions.

- I acknowledge that for insurance purposes, I am only covered by the South Australian Motor Sport Board (or any other entity responsible for the staging of the 2025 Bridgestone World Solar Challenge) insurance in the case of accident or injury.
- I also acknowledge for insurance purposes that I am not covered by insurance on travel to and from the event, and the Event Organizer does not cover transport costs unless otherwise specified by the Event Manager.
- I understand that I will be under the supervision and direction of a representative or agent of the South Australian Motor Sport Board (or any other entity responsible for the staging of the 2025 Bridgestone World Solar Challenge).
- I understand and agree to follow the Work Health & Safety guidelines contained within the Volunteer Guide to be issued at, or prior to, registration and event briefing.
- I agree to follow reasonable requests and directions given in order to perform the set tasks to the best of my ability and assist other volunteers with tasks as required.
- I agree to follow directions given in relation to the safe performance of tasks and undertake to perform these tasks in a lawful way that does not endanger my safety or the safety of others by any act or omission.
- Once received and read, I agree to abide by the conditions detailed in the Bridgestone World Solar Challenge Volunteer Guide. If there is something I do not agree with I will bring this to the attention of the Volunteer Manager before I commence any work on the event.
- If I am involved in an incident/ accident I will complete the required incident report form provided to me and deliver it to the Volunteer Manager within 24 hours.
- If I am required to drive a vehicle as part of my role, I will have on my person a current and valid driver's licence (non-endorsed) and will adhere to the policies laid out by the Event Organizer or vehicle provider.
- Where I am unsure of tasks to be performed or how those tasks are to be performed, I will seek clarification from the Event Organizer or Volunteer Manager.

- I agree to be courteous and helpful towards other volunteers and/or to those whom I am providing a service. I understand the trust placed in me, and at all times I will act in the best interests of and respect the property and the rights of the Event Organizer, its officers and its customers.
- I agree to any photos taken of me undertaking official event duties being used indefinitely for any Event Organizer collateral – this includes online, print and TV.
- I understand that I must not divulge to the media or any other person any confidential information, which I may acquire or have acquired whilst volunteering. Confidential information includes intellectual property and trade secrets or information of commercial value, when that value would diminish, or a person would be unfairly advantaged in commercial dealings with the Event Organizer or the government if it was disclosed.
- I accept that the South Australian Motor Sport Board (or any other entity responsible for the staging of the 2025 Bridgestone World Solar Challenge) will retain the right to use my services or not use my services as a volunteer as it sees fit.
- I have disclosed details of any charges or convictions of criminal offences, previous to my engagement as a volunteer on the 2025 Bridgestone World Solar Challenge.
- I understand that the Event Organizer can require me to undergo a criminal history screening check at any time and that my continued engagement as a volunteer is conditional on my giving consent to such a screening.
- I understand that my engagement as a volunteer will be terminated if subsequent to obtaining the results of my criminal history screening it is determined by the Event Organizer that I present an unacceptable risk to the event.

I _____ agree to abide by the above Terms and Conditions in fulfilling my duties as a volunteer for the 2025 Bridgestone World Solar Challenge.
